

St. Mark's Catholic Primary School

Headteacher Mrs. D. Linley

Friday 16th July 2021

Dear Parents and carers,

As we approach the end of the Summer term, I would like to thank you all for your hard work and support this past year. Without parental support and feedback, we would not be where we are and working in partnership with you as parents is crucial to supporting our children to fulfil their potential.

It has been wonderful seeing the Year 6 children all grow in so many ways during their time at St. Mark's. I remember when I came for the deputy head teacher interview in April 2015, I first met our Year 6 children while they were in Reception. It has been a real pleasure getting to know all of them. The great thing about being part of a small school like St. Mark's is that we all know each other by name, and we are all going to miss each and every one of our Year 6, as they move on to secondary education. I wish you all the very best and please come back and let us know how you are doing.

Next week, you will receive information on what September will look like for your child/ren and the changes you can expect to see. As I said in last week's newsletter, this is not the time to be getting complacent and we should all keep ourselves and each other as safe as possible.

Therefore, despite restrictions changing on Monday, we are asking that all parents on the school playground keep a safe distance from each other and we kindly request that parents continue to wear masks next week on the school grounds. We have been informed this week of a number of positive cases from members of our school community, so the virus is still very much present in the area. We look forward to welcoming our Year 2 and Year 3 class back to school on Monday and our Year 1 children back on Tuesday. I have rearranged our whole school treat so providing all classes are in school on Tuesday - all classes will be receiving something nice to enjoy! 😊

Have a lovely weekend - enjoy the sunshine but please stay safe!
